

FRANCOPHONE CONGRESS OF DIAGNOSTIC  
AND INTERVENTIONAL RADIOLOGY

Paris, October 08-11, 2026

PARIS | PALAIS DES CONGRÈS

# Rising Star For Radiology Grant

The SFR-CERF seminar to attend the JFR 2026

The R-SFRg program offers a one-day, full-immersion research experience as part of the JFR 2026 Congress in Paris, led by world-renowned academic French radiology mentors from the SFR and CERF boards. This program supported by **Guerbet** combines high-quality lectures, interactive discussions, and dynamic panel sessions, creating an engaging environment where young professionals who share a passion for research and teaching can connect, exchange ideas, and collaborate.

## What's included?

- Free fees to attend the whole JFR congress 2026.
- Courses and invitations to social events.
- All accommodations in Paris from Wednesday, October 7th to Sunday, October 11th, 2026 (5 nights).
- Flights\* will be partially covered depending on your country of origin.

*\*A specific flight budget will be allocated to you and indicated in your acceptance letter. Should the ticket price at the time of booking exceed this allocated amount, the remaining balance will be at your own expense.*

Any question?  
[claudia.ramos@sfradiologie.org](mailto:claudia.ramos@sfradiologie.org)

Maximum **15 young radiologists** under the age of 40, with promising careers in academic radiology will be selected.

## How to apply?

- Application form (2 pages): **HERE**  
*In the application form, please submit the abstract of your current research work, which will be presented during the seminar.*
- Short CV (1 page)
- Motivation letter (1 page)
- Recommendation letter from a local mentor (1 page)

Please send a single PDF file containing all documents to:

[claudia.ramos@sfradiologie.org](mailto:claudia.ramos@sfradiologie.org)

*Applications longer than 5 pages will not be accepted.*

**Patient  
& Radiologist:  
an essential Alliance**

Deadline  
**March 31, 2026**
